Traditional IRA

A Traditional IRA is a great way to build for your retirement while enjoying tax benefits. You will not pay tax on your earnings until you make withdrawals, and your contributions may be tax-deductible. This could be the right choice for you if you are under age 72, and you have earned income.

Roth IRA

Contributions to a Roth IRA are not tax-deductible, but your earnings grow tax-deferred, and withdrawals may be made tax-free. Unlike a Traditional IRA, you do not have to make annual withdrawals at a certain age. A Roth IRA could be the right choice for you, if you expect to be in a higher tax bracket in the future.
