b) The interest rate and annual percentage yield may change after account opening.

c) Daily balance. The amount of the principal in the account each day.

d) Average daily balance. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period.

**Fees could reduce the earnings on the account.  
 Interest Rates and Annual Percentage Yields are current as of 10-21-2021.
